

JBF Maple Grove

First-Time Parents & Grandparents Presale

Open to the Public: May 20-23, 10am-7pm

Your Presale: Wednesday, May 19, 7pm-9:30pm

PLEASE NOTE!

Due to the high volume of shoppers and for the most stress-free experience,

No children under 10 years are allowed at any presales EXCEPT INFANTS WORN IN A FRONT CARRIER.

No car seats, strollers or wagons at presales.

Thanks for understanding!

- The waiting line for entry will form outside the doors and down the sidewalk on the LOT side of the building, so please dress accordingly! Like to be an early bird? The line usually forms 30-60 minutes before doors open. Please stand in line 6 feet apart to allow for social distancing.
- Print your ticket from Eventbrite.com or show it on your phone at the door, as we will scan the QR code for entry.
- We'll have sanitized shopping bags available for your use, or you can bring your own. Sorry, no wagons, strollers or car seats allowed at presales.
- Expect to find items from 400+ local families all organized into a huge baby store...all with discount prices!
- Payment: We gladly accept cash, Visa, MasterCard, Discover & American Express. Sorry, no checks.

TO PURCHASE LARGER ITEMS:

Larger Items, baby equipment & furniture will have their price tag on a large yellow "claim ticket." Simply **write your name and cell # on the top portion**, then **tear off and put the bottom half with the price tag into your bag until you check out**. Leave the item on the sales floor and no one else can buy it since you've got the price tag. After you pay, you can retrieve your item from the sales floor and then show your receipt at the exit door.

SAFETY IS A PRIORITY:

We value your child's safety! We ask all consignors to check the recall list for their items, and we also have an on-site recall specialist. All car seats are checked at drop off for recalls & expiration date, and consignors also have a safety checklist for each car seat consigned. For cribs, only stationary-sided cribs are now sold in the US. See our [Safety & Recall Info Webpage](#) for more safety details.
