PRICING GUIDE 2013 ● Suggestions for Pricing

We are so excited you are participating with us! The following guide is to help you figure out how best to price your items.

- Please note that we are unable to accept torn, worn, broken, stained, or non-working items. We are an UPSCALE-resale event!
- Generally, items should be priced around 1/2 to 1/3 of original retail price. We will accept new and gently used items!

Keep in mind this is only a reference to help—not an absolute "must" on pricing. It's really up to you!
