KEEP

These are items you are not quite ready to let go of just yet. That's perfectly fine! We all keep a few treasures.

Selling with Just Between Friends: Full Consignor's Guide

SELL

Items sell best when they meet the 4 C's:

- **Clean:** The newer it looks, the better it sells! Check carefully for stains, holes, rips, tears to make sure items are clean, fresh, and in good condition.
- **Current:** Sell clothing, shoes, and items in the correct season—check out the seasonal clothing list on the website. Shoppers are looking for current styles and fashion!
- **Complete:** toys, games and puzzles must be sold as a complete set.
- **Compliant:** Check important safety guidelines on jbfsale.com. Let's help keep all our children and families safe.

Step 4: PREP

Selling with Just Between Friends: Full Consignor's Guide

Prep: Grab tags & supplies

Following is what you need to know about attaching tags, packaging non-clothing items, and hanging clothes like a PRO!

Start with your biggest selling items FIRST to insure that you will make a good return on your time. Separating items by size and category will help too.

Selling with Just Between Friends: Full Consignor's Guide

Prep: Toys & Gear

Getting these items as clean as you can will help them SELL. A Magic Eraser and some elbow grease go a long way.

Also, check to make sure there are no recalls for these items. Attach your tag to the item with clear tape or punch a hole in the tag and fasten with a zip-tie—if you punch a hole in the tag remember to reinforce it with tape.

Selling with Just Between Friends: Full Consignor's Guide

Prep: Clothing

Make sure your items are clean—and smell good! A squirt of fabric refresher can go a long way. Using Downy Wrinkle Release, too, will help smooth items—or, you can toss them in the dryer to help get wrinkles out too.

- Grab a hanger and hang your item with the hanger making a question mark.
- Pin or attach your JBF tag to the item's tag or inside middle seam. Using a tagging gun can help speed things along. Just make sure the tag can be easily seen on the item.
- For items like socks or tights, bag them together and tape your tag to the bag using clear tape.

Selling with Just Between Friends: Full Consignor's Guide

Prep: Using a Tagging Gun

Tagging guns are AWESOME! BUT make sure you secure the tag through **an inside seam** so the item will not have a hole in it. Test on an old item first.

Don't place tags under the arm or on a side seam. Tags that dangle are hard for us to scan and sort - and kids tend to rip them off.

Selling with Just Between Friends: Full Consignor's Guide

Prep: Pants & shorts

Make sure pants and shorts are attached to the top of the hanger.

Go through the MIDDLE of BOTH areas of the waistband to keep the pants from gaping and sliding to the bottom.

Prep: Multi-Piece Clothing

Position both items on one hanger so you can pin them together as a set. All pieces must be pinned together.

Sets sell well at our sale! Just make sure the items are **THE SAME SIZE** and secured to the hanger.

Safety Pin through all the pieces and around the hanger to give support and prevent a tear.

Selling with Just Between Friends: Full Consignor's Guide

Prep: Shoes

Hole-punch your tag and use a zip-tie to secure both shoes and tag together.

Remember to reinforce the tag with tape before you punch a hole in it – we want to keep your items secure. For shoes that cannot be zip-tied, use a safety pin or place in a clear bag. Most shoes have a spot to zip-tie – get creative.

Magic Erasers take off scuffs and help shoes (and other items) sell!

Selling with Just Between Friends: Full Consignor's Guide

Prep: Books

It is best to sell books individually. If you have a set of books place them all in a large Ziploc bag and seal the bag with tape.

Use clear tape to attach tags to items. Cover the items barcode with your barcode tag (this helps us at check out).

REMINDER: We are no longer accepting DVD's

Selling with Just Between Friends: Full Consignor's Guide

Prep: Keep it Safe!

One of the great things about our sale is that Just Between Friends is the only event in the industry to employ a safety and recall specialist! We work to keep families safe.

Please check our website to make sure ALL your items are safe to sell.

Prep: Selling a Car Seat or Crib?

Make sure you print and sign our WAIVER and bring that with you to the sale! It's located on the Consignor Details page on the website **www.okc.jbfsale.com**

Now...you are ready for the last step!

Step 5: DROP OFF

Selling with Just Between Friends: Full Consignor's Guide

Drop Off: Pack it up, drop it off.

Now that you've priced, tagged, and prepped, you're ready to drop off!

Keep items organized by size and type to speed things up during the drop off process. Things have a way of shifting around in transit! A few rubberbands can help keep hangers together in the car!

3. **You will place one of your tags in a basket set up by the front door-** there will be signs to direct you. This will let us know that you dropped off

4. The other tag will be left with the clothing inspectors.
