### 6 Steps to JBF Prep

1. Clean out closets, drawers, garage
2. Wash clothing, check for stains/damage & clean non-clothing items, check for missing pieces
3. Check for recalls at [www.cpsc.gov](http://www.cpsc.gov) or use JBF- Boise website (Safety & Recalls Section) for current Recalls and Carseat Lists
4. Hang clothing items in outfits/sets & bag or tie non-hanging items
5. Price items online, print & sort tags
6. Attach tags to items & sort for Drop Off

### Supply List

- White cardstock (9 tags print per page)
- Tagging gun & fasteners (or safety pins)
- Child size hangers
- Gallon & quart size clear self-seal (Ziploc) bags
- Clear packaging tape
- Scissors & ribbon or string & zip-ties
- Cleaning supplies (for toys)
- Stain remover & wrinkle releaser

### Barcoded Tags

- **Category** – choose a category that makes sense to you; choose miscellaneous/leave blank if needed
- **Item Description** – include brand name, color(s), etc.; the better the description, the more likely we can match a lost tag to your item and get it back onto the sales floor; no tag means we cannot sell the item
- **Reduce** – check this box if you want the item sold at 50% off at Saturday's Volunteer/Consignor Half Price Party and on Sunday; we highly recommend choosing "reduce" if you want to give your item the best chance to sell
- **Donate** – check this box to donate an item that does not sell to our JBF Charity Partner; donations help Treasure Valley families in need
- **Quantity** – this option allows you to quickly produce tags if you have more than one of the exact same item (same color, size, brand)
- **Print** – when you are ready, choose "Print Tags – PDF" to format 9 tags per page; set printer on high quality for a clear tag and functional barcode
- **Sold/Sold Date/Sold Price** – each night during the sale, watch your items sell!
- **Reports** – you can print multiple reports to track sold items, donated items, etc.
