JUST BETWEEN FRIENDS VENDOR AGREEMENT

shop. sell. save. smart!™

Dear Potential Vendor,

Just like you, I am a small business owner. Each year, I think about how to make our community and our consignment event better. I know that our shoppers want more connection to the community in which they live, shop and work in. What better way to do that than to partner with other business owners like you.

Why Partner with your local Just Between Friends Franchise?

Just Between Friends is a recession-friendly, environmentally responsible, socio-economic boundary-crossing, selling and shopping extravaganza! Sellers and shoppers come from all backgrounds, all age groups—the main thing they have in common is they know a good deal when they see it as EVERYONE loves a great bargain! Shoppers can enjoy prices as much as 50-90% off retail! Plus, every sales event benefits local charities that also help families. The events are hosted twice per year in the Spring and Fall in a locally rented venue. Our next event is September 19 - 22, 2019 at the Burns Road Recreation Center located at 4404 Burns Road, Palm Beach Gardens 33410.

Being Local, Staying Local:

All merchandise that is brought to local, community JBF sales comes from within the community. That means the money is spent and made locally so area families are supported. It's about the community helping the community—and we've love for you to be a part of that. We want to partner with you to offer the community a special unique benefit that only our JBF Super Saver Club Members can enjoy. Our Super Saver Members pay \$5 per sales event and get insider privileges like discounts at local businesses and special shopping hours during our sales event.

A Closing Thought:

We know you care about our community or you wouldn't be here. We care too. We are about creating relationships—relationships where families help families, communities come together to support each other, and more good is done in today's world. We are about creating "win/win/win" outcomes for all those with whom we partner and serve. We know that while making money is important, it's not the only thing that matters. Thank you for considering a partnership with us. We look forward to building a relationship that works for us, for you, and for those we serve!

Sincerely,

Samone Gibson
