Consignor will be charged a \$.20 for supplies to tag items (additional hangers/batteries that were not given to me at drop off). I understand that I will donate any items not tagged for the sale due to being ripped, stained, missing buttons, recalled, seasonally inappropriate, missing parts or batteries or otherwise not saleable by JBF. I will donate these items to charity.
	I understand that I will send the Consignor an email/phone notification alerting that all eligible items have been tagged in the www.myjbftags.com database. After notification consignor understands that he/she will have 24 hours (1 business day) to edit/approve all barcode price tags for sale items at www.myjbftags.com . After this day, consignor understands that no other changes can be made to sale item tags.
	Tagger and Just Between Friends Ventura are only agents or brokers for the consignor; Tagger and JBF have no obligation to pay for items if they are not sold; title possession of the items remains with consignor; and the JBF books and records show only sales that were made for the owner/seller. Tagger will provide a copy of this agreement (signed) along with a copy of the pricing sheet (signed) to consignor within 24 hours of signing.
	Valet Taggers receive a check for \$.65 for each item Valet tagged. Valet tagger will receive \$15 for every 0-200 items tagged that are dropped off and placed on the floor by the Valet Tagger. Valet Tagger will not receive a check until 2 weeks after Sale Event.)
