|--|--|
| | I am participating in Just Between Friends St. Cloud sales event as a consignor/seller. I will not hold JBF St. Cloud responsible for fire, damage, theft, or loss of my sale items. |
| | I understand my profits will be split with my valet tagger. I will receive 50% of the sold price for my items. If I volunteer for a minimum of a 4 (four) hour shift, I will earn 55% of the sold price for my items. |
| | Prior to dropping of my items for Valet Tagging, I will have all of my items clean and laundered as well as pulling any items not suitable (stained, torn, out of date, etc...) for the sales event. If my tagger has to reject more than a reasonable amount of items (10-15 items maximum), JBF St. Cloud has the right to discontinue further Valet Tagging services. |
| | I understand that my tagger will be setting prices for my items based on their expertise in this area. If I have specific prices I would like for items, I will communicate that information with my tagger at the time of drop off. I understand that final pricing will be at the discretion of the tagger. I understand that my items must participate in the half price sale. |
| | I understand that if I bring more than 300 items and do not mark all unsold items as donate, I am required to volunteer for a sorting shift or choose to make 5% less on my sales to cover these labor costs. Volunteering for a sorting shift will count towards volunteer credits (bringing me to 55% of my sold items). |
| | I know when consignor pick up is (schedule posted at stcloud.jbfsale.com). I understand it is my responsibility to come during this time, or send someone in my place. I understand that ALL items not picked up will be donated to charity, and that there will be NO exceptions made or items held for me after pick up ends. |
| | I grant the valet tagger access to my tagging account for the purpose of tagging my items. I agree to send my tagger my username and password prior to drop off. I will change the password after the sale ends. jbfsale.com/myjbfprofile |
| | I agree that as a condition of selling items in a Just Between Friends Consignment Sale, I represent and warrant the following to be true and correct. I am the owner of the items to be sold, and I have full authority to sell the items offered by me for sale; and each item offered for sale by me is in good operating condition, reasonable wear and tear expected, and is not defective, broken or damaged in any way. Any repaired item was repaired by the original manufacturer or in accordance with the original manufacturer's warranty program; and each item complies with applicable law; and no item is the subject of any pending or threatened recall notice or other consumer protection enforcement action; and I know of no reason why any item offered for sale by me would cause any injury to another. |

Prep Tips to Reduce Rejected Items:

Clothing: Clothing should be freshly laundered and either hung or folded. Outfits that go together should be folded/hung together before drop-off, such as a coordinating hat or a top that goes with a certain pair of pants. Clothing should also be grouped together by gender and size. Socks should be matched and folded. If an item is wrinkly, we highly recommend a quick ironing job.

Shoes: Be sure they are clean, clean, CLEAN with no scuffs. A magic eraser cleaning pad works wonders. We are super picky about shoes because shoes in poor condition generate shopper complaints and do not sell.

Equipment/Play-On Toys: Wipe them down and be sure they are clean. If you can launder parts of them do so prior to drop off. Be sure to include working batteries if required.

Toys/Puzzles/Games/Books: Clean and damage-free with all necessary pieces and batteries. If item has multiple pieces bag them or have them taped/tied together.

Electronic Items/DVDs/Video Games: Please check all DVD & Video game cases to be sure disks/games are included and not damaged. Please test and confirm all electronic items are working prior to dropping off.

Car Seats: For JBF to sell car seats you must have a copy of the owner's manual. If you don't have it simply go to the manufacturer's website and print off the English version. Also, the car seat must still have a year until expiration (found on label or 5 years from manufactured date).

Car Seats & Cribs: These have an additional waiver for you to complete and bring to drop-off. Let us know ahead of time and we will email it to you or you can find the waivers at woodbury.jbfsale.com / consignor information / helpful items.

Furniture: Should be put together, sturdy, and in sellable condition. Children's furniture only!

We are here to make selling easy for YOU!

If you have any questions, please don't hesitate to ask your Valet Tagger ☺.
