## FURNITURE:

*Furniture sells really well. All kinds of children's and juvenile furniture will be accepted. To keep our reputation of 'only the best', JBF asks that you be very selective about the quality of your furniture. All furniture must be intact and sturdy.*

### Acceptable Items:

- Bunk beds, twin beds, toddler beds, chest of drawers, cribs and changing tables. Children's play furniture will be accepted as well. **Only children's room décor will be accepted, not adult decorations.**

### Multi-Piece Item Tagging Instructions:

For non-hanging items with multiple separate pieces, put a tag on EACH piece. Fill out the first tag as normal but include "1 of x", where x is the number of pieces total. On all of the other tags, write your consignor number and the description, and "2 of x", "3 of x", etc.

DO NOT write the PRICE on any tag except the first when you are selling multiple pieces for one price.

## LOOSE ITEMS:

*Like blankets, bibs, cloth diapers, bottles, small toys, bows, socks, etc. must be in clear Ziploc bags with the tag attached to the outside of the bag with a safety pin. Blankets and Snugglys sell better if they are hung over a pant hanger. Be sure to put a safety pin on them so they don't fall off the hanger.*

Use clear packing tape for securing the bags closed. This prevents 'little' hands from reaching in.

## MATERNITY ITEMS:

- Must be in excellent condition, cleaned and pressed. Fall and winter maternity clothing will be allowed at this sale. Please do not bring out-dated maternity clothes. They will not sell.
- Please secure the tops with safety pins if they have a tendency to fall off the hanger.
- Breastfeeding tops are accepted with maternity clothing.
- Other Maternity Items: belly bands, breast pumps, pregnancy books, etc. sell very well.

## SHOES:

- Please be aware of our goal....to be the BEST in the consignment business. Shoes will be inspected.
- Shoes with dirt or mud will not be accepted. Clean or wash shoes before bringing them.
- Must be tied in pairs by shoelaces, safety pin, ribbon, zip tie, or put the shoes in a clear baggie. Laces and shoes must be in excellent condition.
- Attach a tag with a large safety pin, or ribbon to the laces or tape the tag on the bottom of the shoes or the bag.
- Be PICKY on shoes!
- Fall and winter shoes will be accepted at this sale.
- For shoes with no laces, put them together in a Ziploc bag with the tag taped to the outside of the bag. Tape the bag closed with heavy packing tape.

## Toys:

- Must be in working order
- batteries included (you can get batteries very inexpensively at the Dollar Store)
- recently cleaned
- Small parts should be bagged and taped to the main part very securely. Use HEAVY packing tape. If parts get separated, it will not sell.
- Games and puzzles should have all pieces and be tied or taped closed.
- Several small items can be grouped together in Ziploc bags (books, rattles, grab bags for small toys).
